

Road Watch Advisory for the City of Fort Myers

McGregor Boulevard Resurfacing – Manuels Drive to Cleveland Avenue (US 41) June, 2022

Contractors for the City of Fort Myers are scheduled to begin work in May to mill and resurface the existing McGregor Boulevard roadway from Manuels Drive to Cleveland Avenue (US 41). Work is expected to occur Monday through Friday from 8 a.m. to 4:30 p.m. This project is expected to be completed in summer 2023.

Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area. Motorists should expect lane shifts and intermittent closures during these activities. Some sidewalks may be closed during the project.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to info@ImproveMcGregor.com.
