

McGregor Boulevard Resurfacing

Manuels Drive to Cleveland Avenue (US 41)

September 16, 2022

Contractors for the City of Fort Myers are scheduled to mill and resurface the existing McGregor Boulevard roadway from Manuels Drive to Cleveland Avenue (US 41). This project will also replace and maintain some water line and drainage and replace existing concrete sidewalk and curb where disturbed due to the project. Additionally, this project will upgrade street signs and provide pedestrian crossing improvements. The project is expected to be completed in summer 2023.

For project information visit the project website at www.ImproveMcGregor.com.

For questions or concerns during construction, please contact the City's Public Information Consultant, Cella Molnar & Associates, Inc. via phone at (239) 337-1071, toll-free at (877) 496-1076 or via email to info@ImproveMcGregor.com.

Updated information will be shown in orange.

Manuels Drive to Larchmont Avenue

- McGregor Boulevard center lane is currently closed for storm drain pipe lining.

Manuels Drive to Llewellyn Drive

- Beginning Monday, 9/19, McGregor northbound traffic is expected to shift to the center lane while crews replace curb, sidewalk, and driveway aprons on the US-41 side.
- Sidewalk will be intermittently closed where work is occurring.

Larchmont Avenue to Henley Place

- McGregor Boulevard northbound traffic is currently shifted to the center lane while crews replace curb, sidewalk, and driveway aprons on the US-41 side.
- Sidewalk will be intermittently closed where work is occurring.
- Larchmont Avenue to Victoria Avenue Mid-week of 9/19, McGregor Boulevard northbound traffic will shift to its normal traffic pattern and the center lane will close for storm drain pipe lining.

Virginia Avenue and Illinois Avenue Temporary Closures

- Motorists can expect first Virginia Avenue then Illinois Avenue to temporarily close at McGregor Boulevard while crews install water line.
- Motorists should use Euclid Avenue for access during the closures.

Clifford Street

- Sections of sidewalk on both sides of McGregor Boulevard will be temporarily closed for concrete base installation.

Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions.
